

EQUIPMENT STANDARDS DECISION NOTIFICATION

Decision Date: 11/2/2016
Decision Number: 2016-0564
Manufacturer: Rational Golf LLC
Product Name: BioMatch Weight
Submission Type: Club/Device

Product Description: This is a shaft weighting insert designed to be installed into the butt end of the shaft, through a hole cut in the grip, with a mechanism that expands to lock in place by tightening an Allen screw.

Decision: **CONFORMING**

This ruling applies only to the sample submitted and any models manufactured identical to it. This ruling does not apply if there is any change in the design, manufacture, material or construction of this particular model. If a model of similar design, with identical markings is acquired from any source and found to fail USGA standards, then the conformance status of the model will be reviewed.

In advertisements, you are only authorized to make the statement: “**Conforms with the Rules of Golf.**” Use of the USGA name, seal or logo, and/or indicating that the product is “Approved,” “Tested,” or Certified” is prohibited.

The USGA reserves the right to change the Rules and interpretations regulating equipment at any time.
